HOME WEATHERIZATION PATHWAY

No-cost home energy assessment and weatherization upgrades

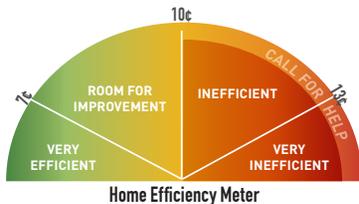

Lower your energy bills and improve the comfort, air quality and safety of your home with SWEPCO's Home Weatherization Pathway. SWEPCO's participating contractors are trained to conduct diagnostic and combustion safety testing, detect carbon monoxide and protect your home's air quality.

Weatherization Upgrades Available

Air Sealing	Attic Insulation
Duct Sealing	Direct Install Upgrades

How does it work?

After an initial energy assessment, your contractor will recommend and install energy efficiency improvements. As an added assurance, SWEPCO performs on-site quality inspections to help ensure each improvement is properly installed and can lead to real energy savings.

$$\text{\$ } \underline{\hspace{2cm}} \text{ Bill amt. } \div \underline{\hspace{2cm}} \text{ sq. ft. } = \underline{\hspace{2cm}} \text{ \$/sq. ft.}$$

EFFICIENT PRODUCTS PATHWAY

Past purchase incentives on ENERGY STAR® appliances and products

Get your incentive in three easy steps:

1. Purchase a qualifying ENERGY STAR certified product from a participating retailer.
2. Submit an incentive form, either online or by mail, with a copy of your receipt within 90 days of purchase.
3. Receive your incentive check within 4-6 weeks.
